CITY OF FARMINGTON LICENSE PROCESS

Gambling Event Permit

A Gambling Event Permit is required to regulate gambling activities such as raffles and bingo. Please review Title 3 Chapter 19 of the city code for complete details. All permits are effective for the dates listed on the permit. If you are having more than one event per year you can list all the event dates on one permit. Dates must be on the permit at the time of submittal. Following is the process to obtain a gambling event permit:

- 1. Application forms and fees should be submitted to the City of Farmington at least two weeks prior to a City Council meeting. Along with this application, Applicant must complete the proper application from the Minnesota Gambling Control Board and attach here. Visit the Gambling Control Board for more information
- 2. Approval is required by the City Council. Council meetings are held the first and third Mondays of every month.
- 3. Upon City Council approval, the signed permit will be returned to the Applicant. The entire application process with the City takes approximately two weeks. Upon City Council approval, the Applicant should submit the proper forms and fee to the State for approval by the Gambling Control Board. Gambling applications are due to the Gambling Control Board at least 30 days prior to the event.
